## ORDER

Proceeding *pro se*, Bradford Moss has timely filed a Complaint asking the Court to review the final denial of his social security disability claim. Doc. 1. Upon screening, the Court ordered plaintiff to file an amended complaint. Doc. 6. He has done so, explaining that his constant headaches and his inability to stand for long periods of time, firmly grip, hold things, or carry heavier objects with his “injured hand,” and repetitively bend or lift preclude gainful work. Doc. 7 at 1-2. He contends, in short, that the Administrative Law Judge erred by formulating a physical Residual Functional Capacity unendorsed by the record.

This is sufficiently specific to allow the Court, and thus the

Commissioner, to move forward. The Court therefore **DIRECTS** the Clerk to forward a copy of Moss's complaint to the Marshal for service upon defendant and to serve both parties with the General Order in Social Security Appeals, which sets forth the process going forward.

**SO ORDERED**, this 19th day of April, 2018.
